All images in your package will include enhancement
There are no substitutions in the packages, each size group needs to be from the same pose.

Below are the descriptions for each finish in our packages

Coronet - The same as Deluxe Portraits with the additional protection of mounting. Wall portraits 16x20 and larger will be mounted on 1/8 inch masonite.

Deluxe - A portrait printed on our standard luster paper. All prints are checked for color and density. Giving you quality that is unsurpassed.
